CONVERT MORE LEADS

MULTI CHANNEL DRIP CAMPAIGNS

Use our campaign builder to automate follow up through multiple channels.

OUTBOUND CALLS

Call your prospects with pre-recorded messages on a schedule and transfer them to live agents.

INTELLIGENT SMS

Text messages get sent to your prospects on a schedule. Our A.I. will handle incoming responses.

INBOUND ROUTING

Setup IVR to handle incoming calls. Trigger different IVR's based on actions or time of day.

EMAIL

Design beautiful and personalized emails and drip them out to your customers on a schedule.

WORKFORCE AUTOMATION

Increase efficiency in your sales process by reducing tedious emailing and outbound dialing.

SIMPLE API

Post leads into the system easily. Update conversion data on leads for accurate reporting.

AUTOMATE FOLLOW UP

DESIGN YOUR CUSTOM DRIP

John visits your website or ad.

He fills out a form requesting more information.

John instantly receives a text message. Is now a good time to talk?

John says he's at work right now. Can we call him after 6pm?

Teledrip.com's A.I. will schedule the call

John gets a call at 6pm. He is ready to hear more!

John is connected with a live agent.

It's a great time to talk. John is ready to buy!
